MATERIALS

- Marble or onyx disc, 4 cm thick

- Burnished metal shelves
- Uprights keyed from the bracket to the shelves

FINISHES

Polished · honed · antiqued. Choosing the finish is a maintenance decision before an aesthetic one.

DESIGN NOTES

Wall-mounted work. The slabs are recessed to half their section where the shelves key in: the shelf enters the stone rather than resting on it. Fixing requires masonry able to carry the load concentrated on the brackets.

LEAD TIME

Six to eight weeks from order.
